# Supplies, Pricing, and BYO Options

We charge a set price for certain supplies for the machines listed. For supplies not listed, we instead request a monetary donation at your discretion to cover supply costs. We encourage you to consider "paying it forward" by adding a little extra to your donation to balance out those unable to give financially.

You are welcome to bring your own materials for the machines, as long as they fall within our BYO guidelines. Please be aware that we cannot guarantee the quality of the finished product. Finished products not picked up within 3 weeks become library property. We cannot accept BYO materials until you submit your project file.
