

## Wallingford Public Library Artist Exhibition Application

An artist wishing to display work in the Wallingford Public Library must complete and submit the application below. After work has been approved, the artist must then fill out the "Exhibit and Display Release Form" and secure dates with the library staff. Please note that use of the actual exhibit space for setting up work, holding a reception (artist's choice), or taking down artwork, must be reserved with the library staff since the room is booked continually for other events.
