

**Wallingford Public Library**  
**Policy on Face Masks and Social Distancing**

Until further notice, the library reserves the right to require proper use of face mask covering the nose and mouth during library programs when social distancing is not possible. When required, appropriate face covering shall consist of a cloth mask or disposable procedure-style mask that completely covers the individual's nose and mouth. An appropriate face covering shall not include neck gaiters, bandanas, scarves, or exhalation valve masks.

Visitors who do not follow these requirements or refuse to follow the library's Visitor Code of Conduct will be asked to leave and may lose their library privileges.

Adopted by the Board of Managers, June 22, 2020. Amended on March 4, 2021 and February 28, 2022.
